Cecilia,

I rechecked my email but did not see any request. However, I called our transportation company and I put in a request for a driver. She is trying to fill the shift.

Please note that I only instructed them to go to Banning's Landing to meet the guide. The driver will not have the route memorized. Robert will need to give the driver detailed instructions.

I will contact you as soon as I hear back from them.

Kind regards,

Lorena Parker
